Biographical Note

George S. Hanford served as the first Secretary-Treasurer of the Little River Drainage District Company from 1907 to 1919. B. F. Burns succeeded him upon his retirement.

Scope and Content

Records of George S. Hanford, the Secretary-Treasurer for the Little River Drainage District (LRDD), 1908-1919. Records consist of correspondence with companies and individuals, correspondence regarding banking and bonds, with LRDD staff and subcontractors, and various blueprints.

The series is divided into four subseries that include correspondence to individual companies and persons; tax-related correspondence; correspondence relating to banking and bonds; and correspondence to and from subcontractors and inter-departmental correspondence.

Although George S. Hanford served the District from 1907-1919, the majority of his correspondence is from 1914 to 1919. The earliest correspondence in the collection is from 1908.

Rules or Conventions: Finding Aid prepared using DACS.

Subseries Descriptions

Subseries 1: Correspondence to and from Individual Companies and Persons

Includes correspondence regarding LRDD business. Topics include personal inquiries, billing issues, land inquiries, etc. The material is arranged alphabetically by name of company or last name of person.

Subseries 2: Tax-Related Correspondence

Material from the LRDD seven county region, as well as correspondence to state and local officials.

Sub-subseries a: Counties

Material arranged alphabetically by county involved.

Sub-subseries b: State/Local Officials

Material arranged alphabetically by last name of the state/local official involved in the correspondence.

Subseries 3: Banking and Bond Material.

Consists of correspondence with the firms that handled the LRDD banking and to various firms regarding bond sales, as well as the depositing and transferring of funds. Identical mail was often sent to all three firms: Estabrook and Co., P.W. Chapman and Co, and Bolger, Mossier and Willaman. Also included are authorization forms for the deposit of funds and other related forms. The material is arranged alphabetically by company name.

Subseries 4: Oversized Materials

Contains oversized material ranging from ditch profiles to estimate sheets.
